

2012 Autumn/Winter

AMSI Sponsored Workshops

**The 2012 AMSI/ANU/UQ Graduate Winter School
on Geometric Partial Differential Equations**
2–13 July 2012, University of Queensland

AMSI/SSAI Lecture Tour: Professor Christian P. Robert
July–August 2012, SA, VIC, NSW, QLD

Transport, flows and applications
17 July 2012, ANU

International Workshop on Operator Theory and Its Applications
16–20 July 2012, University of New South Wales

International Workshop on Set-Oriented Numerics in Dynamical Systems
3–7 September 2012, University of New South Wales

16th Biennial Computational Techniques and Applications Conference
23–26 September 2012, Queensland University of Technology

Nonlinear Dynamical Systems
28–30 September 2012, La Trobe University

AustMS ECR workshop
23 September 2012, University of Ballarat

BioInfoSummer: AMSI Summer Symposium in Bioinformatics
5–9 December 2011, South Australia

AMSI Summer School 2013
7 January – 1 February 2012, University of Melbourne

The workshop series is sponsored by:
